Step2

The screenshot shows a web browser window with the address bar displaying 'login.html' and the file path 'C:/Users/ELCOT/Desktop/skin%20project/login.html'. The website has a black header with 'Skinnovation' on the left and 'Home Login Register' on the right. The main content area features a cartoon illustration of a man with a magnifying glass over a green circle. Below this is an orange rectangular box containing a login form with two input fields: 'Enter Email ID' and 'Enter Password', followed by a green 'Login' button. The Windows taskbar at the bottom shows the search bar, task view, and several application icons, including Chrome, WhatsApp, and VS Code. The system tray on the right indicates a temperature of 27°C and the date 17-11-2022.

Step3

The screenshot shows a web browser window with the address bar displaying 'register.html' and the file path 'C:/Users/ELCOT/Desktop/skin%20project/register.html'. The website has a black header with 'Skinnovation' on the left and 'Home Login Register' on the right. The main content area features the same cartoon illustration of a man with a magnifying glass over a green circle. Below this is an orange rectangular box containing a registration form with three input fields: 'Enter Your Name', 'Enter Email ID', and 'Enter Password', followed by a green 'Register' button. At the bottom of the orange box, there is a link that says 'Already have an account? [Login](#)'. The Windows taskbar at the bottom is identical to the one in Step 2, showing the search bar, task view, and application icons, with the system tray indicating 27°C and the date 17-11-2022.
